

Margaret 'Mugsy' Swan ▶ Instant Pot

Success!!!! These mini frittatas in the mini were awesome!

These are the standard cupcake cups. I used 6 on the raised trivet thing. I placed the cups in first then added solid ingredients (bacon, broccoli, and cheese) then used a funnel to pour in the eggs.

5 eggs  
1 cup total of solid mixture (bacon, cheese, broccoli)

1 cup water (added to bottom of pot)  
5 min manual (pressure cook) on high  
Quick release

So easy so fast! I was blown away!
