

Spinach and Artichoke Dip

¾ cup chicken broth

3 heaping tsp minced garlic

14 oz can quartered artichoke hearts

10 oz pkg frozen spinach(I use organic pkg of frozen spinach from Walmart)

8 oz cream cheese cut into cubes

½ cup sour cream

½ cup mayo

1 tsp onion powder

6 oz shredded parmesan cheese

8 oz shredded mozzarella

Put chicken broth in pot add garlic.

Drain most of the liquid off of the artichokes and add them to the pot.

Place all other ingredients in InstantPot in the order given except shredded cheese

Place on Manual High Pressure for 6 minutes.

Quick Release.

Open InstantPot lid; stir in cheeses. It will thicken a bit when it cools.

Best served with thinly sliced toasted French bread that has been drizzled with garlic butter

You can adapt this to a stovetop method I would still add the shredded cheeses last and stir them in
